

Supply List for EQ7

Laptop with EQ7 loaded and activated. To ensure that your EQ7 is activated, please double-click on the EQ7 desktop icon. If this brings up the splash screen, which says “Tip of the Day” and after you close that the program brings up the “Create a new project” option, then your software is activated. If this does not happen, please contact techsupport@electricquilt.com or 1-419-352-1134 **BEFORE** the day of class to ensure that your software is up and running for class.

EQ7 user manual which came with EQ7

Printer or printer driver installed, so you can preview patterns. Please do not bring the actual printer to class.

External mouse for your laptop—recommended, but not required. If bringing an external mouse, please bring a mouse pad.

If you use a pen and tablet that connects to your laptop, please bring them.

Pen and/or pencil for notes.
